

He's twisted. He's offensive. He's downright hysterical. He's Hiko. And he's back on The Blurbs with his latest ... the transcript of a conversation between he and his girlfriend while watching last weekend's Stillers-Eagles game. Big Ben's face just doesn't look right, and you just knew that wouldn't slip past Hiko.

So there my girlfriend and I were on Thursday night, watching the Steelers play the Eagles, curious to see how the PIT Offense looked after their off-season changes, curious to see if Willie Parker was going to be decent for Fantasy Football (not interested in Big Ben - he went undrafted for 20 rounds in our 10 team league - even the two Steeler fans refused to draft him).

Ben was standing on the sidelines after his horrendous interception, and this conversation took place:

Girlfriend: *What's wrong with his face?*

Me: *He was in that motorcycle accident.*

Girlfriend: *But I thought he was OK.*

Me: *He is OK. But his face was messed up - they had to do some serious plastic surgery on it.*

Girlfriend: *He looks weird.*

Me: *Yeah - it's like his cheeks are stuffed.*

Girlfriend: *He looks like a chipmunk.*

Me: *Well, he has been known to have nuts in his mouth.*

I laugh. She stares at me like I'm a six year old. Silence descends upon us as we watch more of the thoroughly enjoyable game.

Me: *Now I've got that damn song stuck in my head.*

Girlfriend: *Which song?*

Me: (singing) *We're the chipmunks. C-H-I-P-M-U-N-K...*

Girlfriend: *Great.*

Me: *He looks like Alvin .*

Girlfriend: *Well, isn't Theodore the fat one?*

Me: *You're right. He looks more like Theodore.*

□

Girlfriend: *I think it's the teeth more than the cheeks. His teeth look fake.*

Me: *I think they are. They were knocked out in the accident.*

Girlfriend: *He should've gone to a better dentist.*

Me: *Well, they don't really have many dentists in the Pittsburgh area. No demand.*

Girlfriend: *It's funny you should mention that. There's this one girl at work that's a Steelers fan, and she has the worst teeth I've ever seen.*

*She'd almost look better without them.*

Me: *Give it time. Lot's of restaurants in the Pittsburgh area serve nothing but soup. Ben was probably just trying to fit in with the locals.*

*You know the old saying - when in Pittsburgh , lose your teeth.*
