Despite her namesake, you can rest assured this Cheney isn't out gunning down hunting partners. Like her teammates, the bio is good for a chuckle though. When asked who she would choose if she could have dinner with anyone in the world, she answered "Wil Ferrell. I think he is such a great actor and he's the funniest man alive."

Memo to Cheney: Robert DeNiro and Al Pacino are great actors, not Will Ferrell. And I am the funniest man alive. And also coincidentally free for dinner on Friday.
