I could spend hours brainstorming and not produce material of this quality.

Favorite movie - Bad Boys 2? Listen, I never saw Bad Boys 2. But I did see the first one, which provides me with all the circumstantial evidence I need to know that the second one had to suck even worse.

But wait ... there's more.

We're all familiar with the question that elicits the most entertaining responses by now. What two items would you bring to a deserted island with you?

I didn't think we'd ever top Laura's "a cell phone and a puppy", or when Amanda answered with three items. We have.
