

With the holidays approaching, no one can accuse of us not being in the spirit here at The Blurbs. Our resident pessimist Jarad Regano chimes in with some holiday carols for all of us to sing around the Christmas tree this holiday season. Without further adieu, we present to you "The Twelve Days Of The Dolan Christmas" and "Larry Dolan's Ruining This Town". Cue the music maestro!

### **Larry Dolan's Ruining This Team**

He says he will spend  
When the time is right

But every November  
His wallet gets tight

Larry Dolan's Ruining this Team

He's got a free agent list  
And checking it twice  
A torn ACL or labrum looks nice

Larry Dolan's Ruining this Team

He never tips his waiter  
He won't supersize his meals  
He wouldn't offer Jesus Christ  
Any more than a two-year deal!

O! You better go to the games!  
You better buy beer!  
Or he may non-tender Slider next year
