Lots of questions come to mind after last night's 9-8 loss ... was Matt Herges' tremendous start not just a mirage? Is he still a valuable member of the bullpen? Are Greg Aquino's accuracy problems fixable? Did Jhonny Peralta make the smart play taking the sure out at first rather than trying to gun down the runner at home? Did the impressive last-inning comeback say more about the team than its late-inning collapse? Is following this Indians team a rewarding, fulfilling experience? Buff answers these questions and more in today's B-List, brought to you by HMO providers and two-year-olds everywhere.
