

Jeremy Klein is an unabashed Cleveland Sports fan that believes deep down that a Cleveland team will win a championship in his lifetime. Originally from Solon, Jeremy is currently at The Ohio State University working towards his bachelor's degree in business with a specialization in marketing. Jeremy is a die-hard Browns, Cavaliers, Indians, and Buckeyes fan that also has a newfound passion for Premier League soccer, Chelsea being his club of choice. When not viewing random baseball games to watch the players on his fantasy team, Jeremy can be found playing FIFA on his Xbox 360 and generally making a fool of himself around the campus area.
